DISCO INDOOR COLLISION BALL

Transform any floor into a hockey or soccer court with the Can You Imagine Light-Up Air Power Soccer Disk. This exciting soccer disk floats on a cushion of air, allowing it to glide over any smooth surface. Powerful LED lights let the game go on even at night. A soft cushion of foam surrounding the edge of the disk protects furniture from damage. This toy is suitable for indoor or outdoor play. Requires four AA batteries (not included). "Packaging should be kept since it contains important information." There are two different power on/off switches for the disk; one for the light show, the other for power.

ITEM NO.: 789-29B

VARIOUS STYLES

Made of a durable red plastic, these pucks and sliders are sure to hold up throughout an endless amount of gameplay. The striker felt bottom provides a fast easy gliding action while protecting the table top surface. Sure to bring that fast action new table feel to your competitive games.
